Dear Valued Customer,

**Important information regarding Demand Draft currencies**

There are changes to the currencies you can request when ordering a Demand Draft. From 30 September 2020, customers will only be able to request Demand Drafts in CAD and USD. As a result of a recent directive from our HSBC Affiliates, we have been informed that they will no longer service drafts in GBP.

**This means our Demand Draft product will be limited to CAD and USD only.**

Foreign currency wires are available per our routing instructions found in the 'Inward Payments' link on the main [hsbc.bm](http://hsbc.bm) web page (Link below)

These currencies are available using any online banking platform and provide faster, more secure and cheaper alternative method of transacting in foreign currencies.

HSBC Bank Bermuda Limited understands that access to multiple currencies may be important to you and we strive to offer all clients a best in class foreign currency service. Please contact your Relationship Manager or make inquiries through your normal channels and we'll address any questions or concerns you may have.

Yours sincerely,
